It is connected with an introduction to the technique of calligraphic stamping, using pictographic characters on utility objects <i>until 18. 9.</i> MICHAL TOMEK: STORIES FROM CARDS – part of a cycle of paintings, bringing figures from playing cards to life with fictitious stories. In the each painting, they get into the environment and situations that speak of their original possible meaning and social significance. But it may also be a distorted historical message, fragments from dreams, or an attempt to interpret something important, or a buried memory of an unfinished game. The cycle was created for many years as a separate project, to which the author still returns <i>20. 9. – 16. 10.</i>
